

RUBBISH 6 / 9**IPA**

With the Rubbish recipe, we took the hazy IPA down to its simplest parts: pils malt, flaked wheat and oats, single hopped with Citra. Candied orange flavors and a zippy finish make it immensely crushable. 6.0%

GOLDEN EMPRESS 7 / 10**WEST COAST IPA**

Brewed with pilsner malt and wheat for a clean malt body with thick white effervescent foam, then hopped with Centennial and Whakatu Koura in the whirlpool, and dry-hopped with Motueka. 6.9%

CRIPPLED AFFECTION 5 / 8**PALE ALE**

Reimagined pale ale that features a crisp and delicate malt profile with a balancing bitterness from American grown Cascade and Citra hops. Pine, citrus, meyer lemon, and the perfect amount of punchy hop resin. 5.0%

TETTNANG PILS 5 / 8**GERMAN PILSNER**

Mashed singularly with the finest German Pilsner malt, hopped singularly with Tettnang hops, and fermented with a classic Andechs yeast strain, this lager explores a lively aroma of light citrus and dried flowers followed by a clean malt profile, light bitterness, and mineral rich finish. 4.6%

FESTY 5 / 8**OKTOBERFEST LAGER**

Rooted in the German Oktoberfest tradition, the use of dark and light Munich malts lends some color and heft of malt character while remaining light & drinkable. Fermented cold and slow for weeks on end and brewed to be enjoyed in abundance, through the change of seasons. 5.4%

HAMMERBIER 5 / 8**HELLES LAGER**

Pronounced and full flavored lager brewed with German two row summer barley. Medium bodied, bright and pale in appearance, with a soft noble aroma from Czech Saaz hops. 4.8%

AGIDA 5 / 8**ITALIAN PILSNER**

Brewed with Italian Eraclea malt, this aromatic grain creates the perfect canvas for the tasteful kettle & dry hop addition of French Aramis providing aromas of sweet honeysuckle and delicate spice. Fermented cold and slow with our house lager yeast. 5.2%

BERKS LAGER 4 / 7**AMERICAN LAGER**

Inspired by big name macro lager, this American style is made with only pilsner malt and rice, hopped with a trivial amount of Czech saaz, then fermented cold & slow with our Philadelphia yeast strain. Made to be experienced in good company and without pretension. 4.2%

DRIPSTONE 5 / 8**CZECH PALE LAGER**

Brewed in the style of the pale lagers from the Czech Republic. Pouring a thick, white foam, and light in appearance, expect a pleasant balance of semi sweet Bohemian malt and complimentary spicy/floral Saaz hop character. *On LUKR* 4.7%

EVERYDAY LAGER 4 / 7**PUB LAGER**

Our collab with **Concrete Blues** encompasses the spirit of pub culture with a beer that's meant to be savored but not clamored over. Brewed with a clean base of German pilsner malt and cut with a small amount of flaked maize for a crisp, but focused malt profile. Finished with a touch of noble Saaz for balance and reflection. *On LUKR* 4.0%

SPECIAL ENOUGH 4 / 7**CREAM ALE**

A classic American style that is straw golden in color, has a hefty percentage of flaked maize making the body snappy and refreshing, with just the slightest kiss of American grown Cascade in the boil to dress the aroma with a bit of sophistication. *On LUKR* 3.6%

TALIB'S BEST BROWN ALE 5 / 8**BROWN ALE**

Brewed in the style of the historic Brown ales of the American Northeast, with a base of American and English pale malt, layered with caramel and chocolate malt, then finished with American Cascade for a full bodied, but balanced experience. 5.6%

BURIED MOTIVES 7 / 10**AMERICAN STOUT**

The American stout beer style blends generous amounts of dark malts with American hops. Strong aromas and flavors of mocha, toffee, and roasted chicory meld into a full bodied, luscious, and coating experience that finishes with a zesty hop finish. 7.5%
